**SUMMER FIREARMS - Contact the hosting agency to register so we know how many will be attending and what type and amount of ammunition will be needed.** The time listed is the time the classroom portion of the training begins. Everyone who plans to shoot **MUST** attend the classroom portion!

We DO NOT provide eye or hearing protection. You will need a **baseball cap**. \*\*Law Enforcement Training will provide ammo for 9mm Luger, .38 Special, .40 S&W, and .45 ACP caliber weapons at this summer's shoot. Students not using ammunition provided by LET must provide a minimum of 100 rounds for the pistol they will be firing.\*\*

A shotgun familiarization course will also be provided for those wishing to attend. Extra rounds, other than the 5 rounds of slugs and 10 rounds of 00 Buck provided, will need to be provided by your agency and is advised in case of the need for a re-shoot. Agencies wishing to participate in the shotgun training must also have a 50 yard range for this course.
